

**IDAHO UNITED**  
CREDIT UNION

***Don't drive all the way to the Credit Union...  
Make your deposit with your smart phone  
RIGHT NOW!***

***Mobile Deposits is a FREE service for our members.  
Available on Apple & Android.***

**What is Remote Deposit Capture?**

A system that allows a member to scan checks remotely and transmit the checks to the credit union for deposit via an encrypted internet connection. When the credit union receives a check image, it posts the deposit to the members account and makes the funds available in the account.

**Mobile Deposit is Easy!**

1. Log into your Idaho United Mobile Banking App
2. Choose "Deposit Check" in top left drop down menu
3. Choose which account you want to deposit the check into and enter check amount
4. Take a photo of the front and the back of the check and hit Submit!

**Tips for Mobile Deposits**

**Endorse your checks as follows:  
"For Mobile Deposit" and sign your name (signature of payee)**

- Make sure your check is on a flat, dark surface.
- Take a clear picture with good lighting of the front and back
- Note that the limits indicated in the terms and conditions, including but not limited to;
  - No single item may exceed \$3,000
  - No third-party checks
  - No on-us checks from accounts at Idaho United CU
  - Available on for Apple and Android

Notes: Deposits made before 2pm Monday-Friday (excluding federal holidays) are credited the same day, by 3pm. Other deposits are credited the next business day.
